RULES

Welcome to the **2025** Handicraft Schedule. We warmly welcome all new and past exhibitors to our marquee and look forward to plenty of entries this year.

When you have decided on the classes you would like to enter, please take a moment to read the useful tips and advice that have been given to us by past judges - it may help you to win that prize! If you have any queries, please contact any of our committee members who will be happy to help you. Contact numbers are shown below and rules and entry registration details are on the inside back cover of this schedule.

Judges are totally independent and we endeavour not to have the same judges two years running. We have a 'Novice' section for people who have never entered the Southminster Show Handicraft Section before.

New committee members are always welcome or, if you're not into committees, help with marquee decorations and stewarding on the day is always appreciated and lots of fun too.

We look forward to receiving a record number of entries this year and wish everyone good luck.
